Description

Almond oil is extracted from the dried kernel of sweet almond and is one of the most ancient beauty secrets and its use has been traced back thousands of years. It has a broad range of uses, including for health, beauty and overall nourishment. Sweet almond oil is rich in vitamins A and E, both of which are powerful antioxidants. The benefits of almond oil on your skin can be astounding. It is nourishing to skin and relieves dry itchy and otherwise irritated skin and leaves it smooth and moisturized. The oil has also been known to lighten dark circles under eyes.
