Description

Our Arnica oil is obtained from wild crafted arnica flowers infused in bio-virgin olive oil and is well known and used by athletes as one of the best massage oils full of anti-inflammatory properties, perfect for sports massage, relaxing overworked muscles and reducing inflammation. Arnica oil stimulates the blood circulation to the skin and tissues providing relief of tired, aching muscles and joints from sprains. The healing property of arnica oil has also a unique ability to help reduce bruising and speeding up the process of wound healing.

Use
Although herbal oils are not altered, it is recommended to use within 1-2 years for the best herb efficiency.
